Greetings,

It seems like it was only a few days ago that I moved to Hanford and became the pastor of this church. And here we are parting ways already. As I look back on all that we have experienced together and all that we have accomplished, I am so thankful to God for my time with all of you. You have challenged me to grow, welcomed my family and friends into your midst and allowed me to challenge you. I have enjoyed watching you grow in faith and in action in our community. I have been honored by the ways you have invited me into the hurting places of your life. It has been a joy to celebrate with you. What stands out though, is the love you have shared with me and the love that you have allowed me to share with you. It has been my privilege to be your pastor. Thank you.

On May 3<sup>rd</sup>, it was announced that Bishop Brown is appointing Rev. Cynthia Stateman as the Pastor of First United Methodist Church, Hanford as of July 1st. I have personally known Pastor Cynthia for a number of years and believe that she is an excellent choice for this congregation. I know that you will welcome her as you have welcomed me.

This congregation has graciously allowed me to be your pastor and I ask that you extend this same grace to Pastor Cynthia and allow her to become your pastor. In order to allow space for Pastor Cynthia to become your pastor, I will be taking a step back in my relationships with all of you. This is the hardest part of a pastoral transition for both pastors and congregations, but it is a necessary one. There is no way to allow the space that is needed for the relationship to develop with a new pastor without ceasing contact. To this end please know that my lack of response to your contact is not a lack of care for you, but rather a deep love and desire for you to have a connection with your new pastor. As you share your joys and concerns with Pastor Cynthia, you will build a bond with her. Know that I will and do continue to love and care for all of you. You will continue to be in my prayers and I hope that in a year or so we will be able to continue our friendships.

God is not yet done with First United Methodist Church, Hanford. This congregation has a long history and the continuing story of this congregation is yet to be written. I look forward to seeing what God will do in and through this church in the future.

Remember, God's Love Never Ends,

Pastor Susan Foster<sup>2</sup>

**SUNDAY SCHOOL SUPPORT TEAM**

Do you have an interest in the spiritual lives of children? Would you like to see our  
Sunday School grow? Let's get together to offer our Sunday School Leaders support.  
Let the office know if you are interested.

We didn't have a General Meeting in May, but enjoyed our annual Spring Luncheon on Saturday the 9th. All who were there enjoyed a delicious salad luncheon and entertainment. I have several people to thank for helping. We had a young girl, Abbie Halsey, sing for us. Also, we enjoyed the talents of our own, Becky Eversall, who played her guitar and sang some songs she had written. Helping with the set-up before the luncheon were: David Beeman, Carole Hester, Sue Hensel, Sammi McDonald, Candy Bertaina, Delfa Randles, Patty Ferrell, and Pastor Susan. Lynette Hester, Denise Pedersen and Pastor Susan made the centerpieces, very creative and helped make the luncheon a special time. We had a few of the Methodist Men helping with serving beverages and doing the dishes for us. The UMM doing so much great work for us were: David Beeman, Bob Peden, Roy Randles, and Verne Adams. If I somehow missed a name, please forgive the oversight, and thank you for helping.

The UMW are going to order some new chairs for Founders Hall and Mary Lane Hall. There is money in one of the Memorial accounts, plus the UMM have been asked to also help financially.

Because of our Luncheon this month and summer coming, we won't have a General meeting until Sunday, Sept. 13<sup>th</sup>, after church.

Last month it was mentioned that Renee True was retiring after 20+ years as the Funeral Receptions chair. I am happy to say we have a volunteer to take over and do the food planning. Chris Payne will take on that job. She will always needs lots of help, so please let Chris know if you can help. It doesn't have to be a commitment to help at every reception, but whenever you can. Please give Chris your name and contact info. In fact: there is a Memorial Service Reception on Saturday, June 6th after the 11:00 am Service. Chris could use your help.

May all have a good summer, happy & safe travels.

Vicki Beeman

## **Dinner & Meeting Monday, June 8th, 6:30 pm**

I turned the faucet on the other day, and do you know what came out? Water. Clean, potable water. With all the reminders of the drought we are in, I still get water when I turn the faucet handle. I can drink it, take a shower; my day can go on. It makes me forget all the places in our world where that still doesn't happen. How do you run a school or a hospital without water? Even in places that get enough rain, the issue is clean water. I guess this persists because getting the water supply cleaned the way we do it here in America is so Big Time, so expensive. That's why I was excited to hear about a clean water system that costs less to install, and less to operate.

We are going to have a speaker from Living Water World Missions come from their headquarters to our June UMM meeting to show us what they do. In the meantime you can look up their Living Water World Missions web page and see a little bit what their water system and their mission looks like.

Next United Methodist Men meeting is Monday, June 8 at 6:30 PM. After dinner, our program will be Living Water World Missions. We need a count for dinner, men and guests, so please give me a call this week.

If you

- make dinner reservations, and
- arrive by 6:30, and
- have this answer: "Where is Living Water World Missions headquartered?" then you'll win a prize.

At our last meeting we got to see the plans (Blueprints are no longer used.) for the new recycling collection point out in our breezeway. Since that time, the project has been completed and installed. It's the work of a team Sage Wyman assembled and led for his Eagle Scout project. The project includes three cans, not too big to deal with, for glass, plastic and metal. The cans are enclosed in a ventilated, wood structure up off the ground. The back opens for access to the entire cans. The whole structure is right next to the metal trash can in the breezeway past Fireside and Friendship rooms, so that metal can is next in the row to continue to collect other trash. Paper continues to be collected inside the church buildings. At the May meeting we got to find out the elements that must be part of an Eagle Scout project, and how this effort fulfills them. One was that the scout's project has to benefit a non-profit organization.

## Hanford First United Methodist Church Vacation Bible School Parent Letter

Dear Parents,

At *G-FORCE* ADVENTURE PARK VACATION BIBLE SCHOOL, your children **ENTERING 1ST THROUGH 6TH GRADE** will discover an interactive, energizing, Bible-based program that will give them an opportunity to experience God's love in action. During Vacation Bible School at *G-FORCE: GOD'S LOVE IN ACTION*, your children will become Navigators and explore how to serve God and others with active love.

After a high-energy opening assembly at the *G-FORCE* Zone, the Navigators make their way through 4 centers: The Scripture Zone is where Interactive Bible lessons reveal Action Words for following God's plan for our lives. The children will expand on what they've discovered by participating in a variety of activities: making their own art projects at the Craft Zone, exploring science activities at Science Zone, and participating in recreational activities at the Recreation Zone. Along the way, the Navigators will hear about our mission project and enjoy being active!

Let's go! Join us at **Hanford First United Methodist Church** located at 505 N. Redington Street Hanford, CA for a **THREE DAY VACATION BIBLE SCHOOL** on:
